PRESS RELEASE: FOR IMMEDIATE REEASE

**6/16/2025 ADDRESS TO THE CITY OF FORT MYERS FLORIDA
CITY COUNCIL**

Ward 4 City Councilman Dr. Liston Bochette asked me in the fall of 2021 to write a set of pamphlets and for the explanation of the forces tearing our City of Fort Myers, Florida and nation apart. This writing is especially difficult as I am challenged by my intellectual disabilities and unique intellectual abilities. I am profoundly honored to do this work and yet I am cast into this role by the natural forces of my life and the government, academic and institutional forces that oppose a natural and citizen inventor in visual art history painting

After fighting fascism and the Nazi in WW2 the US Government turned inward to fight a perceived fascism inside the United States. This would be an undeclared war and against an uninformed enemy and who were citizens of the United States.

WW2 was lead by the US Navy because of the Japanese attack on the port of Pearl Harbor. After WW2 US Naval Intelligence Activity would conduct a soft power war-game inside the United States to fight a perceived fascism of “white male Christian nationalism”. Post WW2 Antifa was created to carry out the war-game under the Rules of US Naval Warfare.

The “enemy” of Antifa would be considered “belligerent” and would not be fired upon and with deadly intent. Under the Rules of US Naval Warfare the citizens of the United States would not need to be informed because no one would be fired on with direct deadly intent. Through academic freedom the anti hero was embraced and the liar and coward became soft power Antifa. No one suspected such a diabolical conceptual art would be built into US and Lee County and City of Fort Myers, Florida academic and civil culture direction and governance.

I have been of special interest to US Naval Intelligence Activity and Antifa since 1968 because of the answers I gave on the IQ test I took in eighth grade at AG Jr High School in Charlotte NC. The answers I gave indicated that I was uniquely capable of solving impossible problems (enigmas) and which later would become part of the basis of artificial intelligence. The IQ Test also showed I had no measurable intelligence in math and English but uniquely solved 99 out of 100 geometric visual predictions. Despite my disabilities I would become regarded as a belligerent, coercion from soft power Antifa would be applied to force me to write. 9/1/2017 Collaboratory CEO Sarah Owen addressed me as Metaphysician and asked me about the academic enigmas I crack and if I could read the minds of other metaphysicians. Anyone of substance who helped me or affirmed my work would be regarded as a belligerent and suffer repercussions. This restriction and forced isolation I suffer is to assure the purity of my writing and testings. Every aspect of my life and computer is monitored. My record by sworn affidavit is the only known account of the US Government academic occult. I am allowed to write because of the unique quality of my perception and which is used for the testing of artificial intelligence and soft power Antifa. I am allowed to write to help establish peace and sustainability of human governance and for the possibility of restoring my civil rights.

Robert Rauschenberg was profoundly dyslexic and was given every support but would not write enough (enigmas) to suit his US Navy Intelligence Activity and Antifa benefactors. The (this) writing and enigma cracking would be forced out of me through discrimination as a white man modernist inventor in visual art history / painting and by shunning, lying, back stabbing and gaslighting.

The acts of fraud against me and my family were necessary for establishing the superiority of the United States and superiority of US Defense and for forcing me to write and invent intelligence. This is one reason why the US threw the 1964 Venice Biannual for Robert Rauschenberg, to establish the United States as the dominate academic occult art metaphysical power and which is the key to world supremacy and domination.

My Commission Expires:

because of my intellectual disabilities and minor age I could not be sworn into secrecy and pain of death to solve impossible problems for the US Government, I would have to be abused, stripped of vital civil rights and made disposable as a "belligerent" and through the operations of soft power Antifa from 1968 - 2025.....?
