PRESS RELEASE: FOR IMMEDIATE REEASE

**ADDRESS TO THE CITY OF FORT MYERS FLORIDA
CITY COUNCIL**

Ward 4 City Councilman Dr. Liston Bochette asked me in the fall of 2021 to write a set of pamphlets and for the explanation of the forces tearing our City of Fort Myers, Florida and nation apart. This writing is especially difficult as I am challenged by my intellectual disabilities and unique intellectual abilities. I am profoundly honored to do this work and yet I am cast into this role by the natural forces of my life and the government, academic and institutional forces that oppose a natural and citizen inventor in visual art history / painting

Dear City Council of the City of Fort Myers, Florida, I am submitting to you and the City of Fort Myers, Florida eight new reports and seven re-submissions. I am including seven reports from 2025 that did not have the correct affidavit form.

Due to safety concerns for myself I am submitting these fifteen reports to you without coming in to speak.

Thank you very much for your consideration,

Metaphysician Mark Cranford
