PRESS RELEASE: FOR IMMEDIATE REEASE

**ADDRESS TO THE CITY OF FORT MYERS FLORIDA
CITY COUNCIL**

Ward 4 City Councilman Dr. Liston Bochette asked me in the fall of 2021 to write a set of pamphlets and for the explanation of the forces tearing our City of Fort Myers, Florida and nation apart. This writing is especially difficult as I am challenged by my intellectual disabilities and unique intellectual abilities. I am profoundly honored to do this work and yet I am cast into this role by the natural forces of my life and the government, academic and institutional forces that oppose a natural and citizen inventor in visual art history / painting

Ward 4 City City Of Fort Myers, Florida Councilman Mike Flanders authorized my ownership of these following McCollum Hall artifacts.

When the City of Fort Myers announced that McCollum Hall was going to be gutted for renovation I emailed and asked then Ward 4 City Councilman Mike Flanders if I could have any discarded artifacts from the historic McCollum Hall building. Councilman Flanders assigned a number for my request and told me by email that the wood was too termite infested to keep but there were metal artifacts I could have.

In this request for McCollum Hall historic artifacts I was acting in extension of my August 30, 2011 participation and conceptualization of the Old Lee County Courthouse Free Wood For Artists Giveaway as my first conceptual art. McCollum Hall Metal Artifacts 6/10/2020 and 8/30/2011 Old Lee County Courthouse "Hanging Tree" are dynamic collections, dynamic conceptual art.

June 10, 2020 I met CRA Director Michele Hylton - Terry at McCollum Hall to receive the metal artifacts. Director Hylton told me that Councilman Flanders had told her that I knew what I was talking about.

These timeless artifacts are dynamic in themselves and bear a powerful witness to an important history that has reemerged and in ways unique to Lee County and Fort Myers.

When I had acquired these McCollum Hall artifacts it was my hope and an aspect of my conceptual art that a time would come to curate and possibly return or make available these items to McCollum Hall.

The industrial box fan and large exterior sign box need restoration but are not in bad shape.
